

Year 1 Autumn 2

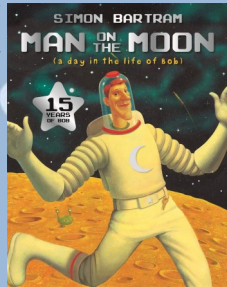

Welcome

We hope you had a relaxing and enjoyable half term break.

Learning

English

In English, we will be looking at writing based around space. We will be writing a non-chronological report about what it is like to live on a space station and then writing our own story based on 'Man on the Moon'.

Maths

We will be focusing on a range of topics, including: addition, using a number line, mental subtraction and recognising and naming a range of shapes and their properties.

Science

This half term we will be looking at different materials. The children will be able to explore a range of materials and we will be discussing the properties of them.

PE days

A reminder that P.E. days for both IKB and ISO are T and Wednesday. Please make sure your child comes to school in school uniform with their P.E. kit to change into.

Reading Records

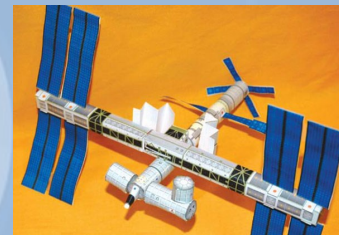

Children are expected to bring in their reading records every day and read at least 5 times a week. Please fill in your child's reading record for them each time they read. Children will be awarded 5 house points for every entry in their reading record.

Homework

Thank you for all the great homework we have been given each week! A reminder that homework is uploaded to Showbie on a Friday and is due in the following Wednesday. As well as the homework, there are spellings to learn, which are tested each Friday.

Project Homework

This half term we are looking at space - we would like the children to design their own space station. It is up to them how they would like to create them. This is due the week beginning December 6th.

Important dates

Monday 31st October - INSET

Wednesday 2nd November - School photos

w/b 14th November - Anti-bullying week
