

Year 2 Newsletter

Spring 2

We hope you had a great break.

Our learning this half term

Our new topic this half term is 'Traction Man'.

In English we will be reading the adventure comic. We will be writing our own stories based on the adventures of Traction Man. We will also be writing instruction booklets on how to make a car.

In design and technology we will be developing our wood work skills by researching, designing and making a car for Traction Man.

In science we will be learning about every day materials. We will be making predictions and recording results about how different materials are used.

Book Week

Book week will be taking place from the 4th–8th of March. On Thursday 7th March children are invited to dress as their favourite character for the day. As part of this the children will be writing their own adventure stories and sharing these with children from other year groups.

Topic Homework

This half term our topic homework is to create a comic strip using an item from home as the main character – i.e. old hairbrush, a dusting cloth, a shoe

How to Help

It would be a great help to your child if you; read with them every night and complete the reading record.

Blacklands Farm

As you know we have an exciting opportunity to attend a residential visit to Blacklands Farm. During the trip, the children will develop their independence in taking part in a range of fun and engaging activities.

Dates for your diary

KS1 SATS Parent Workshop

Friday 8th March 9am

Blacklands Farm Residential

Thursday 21st March

Trip to London Transport Museum

Friday 5th April

Last day of term

Friday 5th April
