Safer Internet Day

Tuesday 9th February was Safer Internet Day. At Boxgrove, and online, the

children took part in a number of different activities about staying safe online including live lessons hosted by the BBC and Safer Internet Day assemblies. Below is a video for parents and a video for children about this years safer internet day topic, An Internet We Can Trust.

Children - <https://vimeo.com/480849087>

Never has there been a more important time to raise awareness about internet safety with children spending more and more time online. More information about online safety can be found on our school website under Parents - Online Safety (<https://www.boxgrove.greenwich.sch.uk/parents/online-safety/>). This information is regularly updated to reflect changes in technology and new software.

Attached to this newsletter is a leaflet for parents from the Royal Borough of Greenwich about internet safety, fake news and online radicalisation.

Showbie

Well done to everyone who is working really hard on their home learning on Showbie. If you need any help with using Showbie, please visit the school website: <https://www.boxgrove.greenwich.sch.uk/parents/showbie/> for helpful video links. Alternatively, you can email your child's class teacher by using the class name @boxgrove.greenwich.sch.uk (for example 6ab@boxgrove.greenwich.sch.uk).

Activity to Try

During lockdown, each newsletter will contain an idea for an activity to do at home as a family. The activity for this week is to dream

up a make-believe animal, describe it and draw it. There are some ideas here to help you.

Support Section

We will be including some links to support services that people may find useful in the current circumstances. This weeks' links are all about mental health with last week being child mental health awareness week.

This is a link to a website for parents and children with resources that are all linked to the Mental Health Awareness Week topic of 'Express Yourself'.

This link is to a free course being offered by Future Learn and backed by Public Health England for a course called Covid-19: Psychological First Aid. The course aims to train people who can then help others, including children, to deal with the emotional impact of Covid-19.

This newsletter and other important information is also available on the school website: <http://boxgrove.greenwich.sch.uk/>

Mental Health Awareness Week

Last week at Boxgrove was Mental Health Awareness Week. There were a number

of activities that took place across the school and online to raise awareness of mental health and pupils took part in activities to help improve their own mental health. This is increasingly important at the moment with everything that is going on. Some of the activities the children completed can be seen here.

My Confidence Jar

In the jar below, write all the things you think you are good at. For example, 'I am good at Maths'.

Home Learning Heroes

A couple of weeks ago we started a new award at Boxgrove for children who are learning at home. These are our Home Learning Hero awards and are given out to children that have put in a lot of effort each week in their learning on Showbie. These winners will be announced each week in a video that will be linked on every classes Showbie platform. The winners of this award will also be entered in to a prize draw with a winner being drawn from each of Reception, Year One or Year Two, Year Three or Year Four and Year Five or Year Six. The winners will receive prizes delivered by members of staff from the school. The winners for the last two weeks are:

Year Groups	Winners	
Reception	Maavak RET	David G RET
Year 1 and Year 2	Hamza 2FD	Damari 2ZB
Year 3 and Year 4	Josh 4RA	Aminah 3SM
Year 5 and Year 6	Etahn 6AB	Kashif 5HF

Star of the Week

During the part closure of the school there will be a star of the week for each bubble. The winners for the last two weeks are:
