March 2021 Newsletter 2

Addition to the Teaching Staff

We are very pleased to announce that Ms Chapman has joined our school until the end of this academic year. She will teach in Reception following the departure of Ms McQueen. She has over 20 years teaching experiencing and was part of the leadership team at her previous school. She has specialised in many areas including phonics and behaviour management.

Great Fire of London

Year 1 have been learning about The Great Fire of London. To explore how the fire spread so quickly we built our own city of London and placed the

houses close together, just like they were in 1666. We then started the fire at our own bakery and then watched how quickly the fire spread from house to house.

Kidbrooke Park New Building

As you may be aware, our partner school, Kidbrooke Park Primary School, is moving to a new purpose-built site in

April. The project has taken a couple of years to complete but the building is now ready to go

and the classrooms are all set up to welcome the pupils to the new site. Here you can see some of the classrooms and the new playground.

Red Nose Day

Friday was Red Nose Day and to help raise money at Boxgrove we had a day where everyone was asked to

wear red and make a family donation of £1 which would go towards the Comic Relief appeal. We are very pleased that lots of staff and

children joined in to help this good cause. The children in Reception even made a Red Nose Day superhero.

Whenever we process (staff, parents and pupil) data, we need to comply with GDPR. For more information on how we process data check on our website.

Young Minds

Young Minds are an organisation set up to help young people with their mental health. Whether you want to know more about how you're feeling, get information about a mental health condition or know what support is available to

you, our guides can help. More information can be found on their website:
