

Year 1 Autumn 2

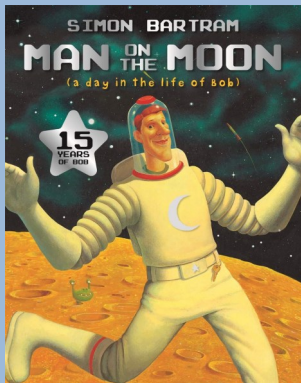

Welcome

We hope you had a relaxing and enjoyable half term break.

Learning

English

In English, we will be looking at writing based around space. We will be writing a non-chronological report about what it is like to live on a space station and then writing our own story based on 'Man on the Moon'.

Maths

We will be focusing on a range of topics, including: addition, using a number line, mental subtraction and recognising and naming a range of shapes and their properties.

Science

This half term we will be looking at different materials. The children will be able to explore a range of materials and we will be discussing the properties of them.

PE days

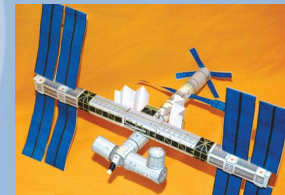

A reminder that PE day for IMS is on Tuesday and IOC is on Wednesday. Please make sure your child comes to school dressed in their full PE kit.

Homework

Thank you for all the great homework we have been given each week! A reminder that homework is given on a Friday and is due in the following Thursday. As well as the homework, there are spellings to learn, which are tested each Friday.

Project Homework

Last half term we saw some fantastic maps. This half term we are looking at space - we would like the children to design their own space station. It is up to them how they would like to create them. This is due Friday, December 11th.

Reading Records

Thank you to all of those children who did fantastic reading last half term, keep up the good work! Children are expected to bring in their reading records every day and read at least 5 times a week. They do not have to read a whole book in one go, a couple of pages is fine. Please fill in your child's reading record for them each time they read. Children will be awarded 5 house points for every entry in their reading record.

Important dates

Mon-Fri week commencing 23rd November – Parents Evenings

Friday 17th December – Last day of term.
