Final week

**Summer Term
Growing**

This week we are thinking about healthy eating and learning the story of "Oliver's Vegetables".

What is your favourite vegetable?

<https://www.youtube.com/watch?v=lhmqiEXe8dc> - listen to the story

Make your own book of Oliver's story

1. Take a sheet of A3 or A4 paper.
Hold the paper horizontally and fold in half, then open out.

2. Fold each half inwards to the centre, then open out.

You now have 4 equal panels

3. Now fold in half.

4. Open out and you have a sheet with 8 equal panels.

Make your book so you can draw on a page for each day.

Use the link above to find the sorting activity

<https://www.stem.org.uk/resources/community/resource/369276/fruit-and-vegetable-sorting-cards>

Use your fruit and vegetable cards to play sorting and grouping games. How many different ways can you do it. Here are some

←↗

Likes/ dislikes
Colour
Growing place

Eat the rainbow challenge

Can you eat a different coloured thing each day?

How many colours of fruit and vegetables can you find at your house?

Can you draw a rainbow of food? Take a photograph and send it in to us.

Vegetable Hunt

Can you find any of these vegetables in your house?

What do they feel like?

What do they smell like?

Can you help a grown up to prepare them for you to eat?

Healthy vs Unhealthy

Pack a healthy lunchbox!

What would make a healthy lunch?

Can you draw or make a healthy picnic lunch? Send us a picture.

<http://www.nourishinteractive.com/system/assets/free-printables/664/kids-food-flash-cards-vegetables.pdf?1344552272>

In your pack are some vegetable pictures. Can you pattern or colour them in? Challenge yourself to cut them out.

Listen to a song about healthy meals.

End of the week challenge.....

Can you make some vegetable soup or a fruit salad.
